TNT Canines Presents:

DISTANCE HANDLING & HANDLING FOR SPEED

With PAULA GOSS of SPLIT SECOND AGILITY

July 11th, 2010 (9am – 5pm) / Bella Vista Training Center

This one day seminar is geared towards the dog/handler teams completing in AKC FAST CLASS, USDAA GAMBLERS and / or NADAC CHANCES CLASSES! Where Speed, Distance and Accuracy Count!

If you haven't been to one of Paula's seminars before, she is a fabulous instructor--very organized, an excellent communicator as well as being a superb handler.

Paula is incredibly motivational, and her experience and upbeat attitude make attending one of her seminars a pleasure and an inspiration to get out there and train!

Paula has been involved in competitive agility for 20 years, competing in the highest levels nationally in AKC, USDAA, and recently, almost exclusively in NADAC.

- Only 10 working spots are available for this seminar with Unlimited auditor spots.
- Full payment must be received to reserve your spot.
- This seminar will be held indoors on sand/rubber mulch. Building is fan cooled.
