## Notice to Exhibitors:

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with, and are able to perform all obstacles safely.

All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the Trial site.

In such case, no refund of any fees paid will be made.

Food and toys are not permitted in the course area, and handlers are not allowed to use whistles or other instruments or devices.

Exhibitors are responsible for being at the ring gate when it is their turn to run.

Exhibitors may wear shirts or insignia of their training group if they wish.

At the handler's option, the dog may wear a flat (buckle or quick release) collar without tags or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.

Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring.

### Eligibility :

This trial is open to all teacup dogs (which are dogs 17" and under at the withers), over the age of 12 months except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance.

**Your dog must be registered to participate in TDAA Trials.** There is a registration form included in this premium, or you can register the first day of the trial. Teacup Dogs Agility Association Rules can be obtained online in the form of a PDF file at [www.k9tdaa.com](http://www.k9tdaa.com)

## Classes Offered (Tentative Running Order)

Saturday: Standard 1  
Standard 2  
Helter Skelter  
Jumpers

Height order: tall to small

Sunday: Standard 1  
Standard 2  
Beat the Clock  
Black Hole

Height order: small to tall

**Measuring for all dogs without a permanent jump height card will be available from 7:30 to 8:00 am both days. There will be a general briefing at 8 am on Saturday and Sunday to familiarize all participants with TDAA rules. Judging will start at 8:15 am both days.**

### NEW Class

**FEO** – TDAA now offers FEO (For Exhibition Only) runs. They are open to any TDAA registered dog in any class. FEO dogs will run last in their jump height. They may run on lead. FEO runs do not count toward TDAA titles or certificates. No treats or food allowed in ring.

### Games Classes

Judge's Briefing on the day of the trial supersedes any previous briefing.

#### BEAT THE CLOCK

The objective is for the team to perform the clock of obstacles before the time runs out. Typically, the standard course time is 60 seconds.

#### BLACK HOLE

Black Hole starts and ends at the table. The handler will direct the dog on the numbered course, accumulating points for each obstacle performed successfully. The dog can continue to earn points unless it goes into a pipe tunnel (the black hole). Scoring stops once the dog goes off-course into a tunnel. The handler must direct his dog to the table to stop time.

#### HELTER SKELTER

Helter-Skelter is run on a Jumpers course and may contain tunnels and weave poles. The dog is required to perform each obstacle on the course at the handler's direction in the sequence designated by the judge.

#### JUMPERS

Jumpers courses consist only of hurdles and tunnels. The dog is required to run the course in the sequence indicated by the judge. Off-courses and knocked bars are always faulted.

## Height Divisions

Owners are responsible for entering the proper height division. All dogs that do not have a permanent jump height card must be measured before judging begins. At the handler's option, dogs may be entered in a higher height division, but not in a division lower than their proper height division. Dogs that run in a height division lower than their proper division will be eliminated. To figure leg to shoulder ratio: Height from the elbow to the ground ÷ height at the withers = % (ratio). If that percentage is less than 50% and meets the height requirement then the dog can jump at the next lower height.

- 8" and under at the withers jumps 4"
- 12" and under at the withers jumps 8"
- 15" and under at the withers jumps 12"
- 17" and under at the withers jumps 16"

Dogs competing with either a body-type (long-backed, dwarfish legs/deep chested, or weight-to-height provision) exemption, veteran jump height exemption, or both exemptions, will be scored and placed with the height class they measure into.

## Jump Height Exemptions:

Special provisions are made for dogs that are long-backed, have a weight-to-height exemption, or who have dwarfish legs (see rules for complete description of height exemptions at: [www.k9tdaa.com](http://www.k9tdaa.com)). A jump height exemption (next lower height) will also be granted to veteran dogs (dogs of at least 7 years of age).

### How the Fast Track Move-Up Works

Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginners to Superior on the same day, if the dog qualifies first in Beginners, and then qualifies again in Intermediate.

A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog.

A dog moving up on the Fast Track will not be eligible for placement within the class that he/she received the qualifying score.

Have a long drive home  
from a trial?  
Listen to a book-on-tape/CD  
to help stay awake...

Here's how the Live to Run Again's  
"Audio Book Libraries and Exchange" (ABLE)  
works...

Bring any audiotape/CD you've listened to and exchange it for another in the LRA collection. Don't worry if you don't have a tape/CD to exchange, feel free to borrow one to listen to on your ride home. We only ask that you keep the tape/CD in circulation so others may enjoy it. You can do this by returning the tapes/CDs at our next LRA Exchange, mailing it back or passing it on to another exhibitor.

Multiple tape or CD donations to the LRA audiotape collection are most welcome. The more tapes/CDs we have, the more trials we can circulate them at. Drop off your donation wherever the "Exchange" is set up or mail them to:

LRA, 1940 Swedesford Rd, Malvern, PA 19355.

For more information visit the LRA website -  
[www.LivetoRunAgain.org](http://www.LivetoRunAgain.org)

**Caution: Listening to tapes helps  
some drivers stay awake, but if you experience  
drowsiness STOP TO REST!**
