Notice to Exhibitors:

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and are able to perform all obstacles safely.

All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the Trial site. In such case, no refund of any fees paid will be made.

Food and toys are not permitted in the course area, and handlers are not allowed to use whistles or other instruments or devices. Exhibitors are responsible for being at the ring gate when it is their turn to run.

Exhibitors may wear shirts or insignia of their training group if they wish.

At the handler's option, the dog may wear a flat (buckle or quick release) collar without tags or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.

Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring.

Eligibility:

This trial is open to all teacup dogs (which are dogs 17" and under at the withers), over the age of 12 months except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance.

Your dog must be registered to participate in TDAA Trials. There is a registration form included in this premium, or you can register the first day of the trial. Teacup Dogs Agility Association Rules can be obtained online in the form of a PDF file at www.k9tdaa.com

Disabled Handlers – Disabled handlers will be granted additional time in the amount of 4 seconds in the standard course time for Standard classes, and in the amount of 4 seconds in the qualifying course time for all Games classes. A copy of the handler's disabled parking tag or other official documentation must be included with this entry or provided at check-in.

GAMES CLASSES

Judge's Briefing on the day of the trial supersedes any previous briefing.

HEINZ 57 - A handler choice point accumulation game where the handler tries to get 57 points and no more or less. This game is scored points then time.

IMPOSSIBLE TUNNELERS – Run the sequence as numbered. The dog will be faulted for any off-course. When jumps or contacts are used, the dog will be faulted for dropped bars or missed contacts. At the judge's discretion, refusals may be faulted.

TIME WARP – The object of this game is to run the required course as fast as possible without faults. All obstacles must be completed. Scoring is time plus faults minus bonus. Faults are missed contacts and dropped bars. Refusals and off course are not faulted.

NESTED GAMBLERS – Nested Gamblers is very much like the traditional game of Gamblers, having a point accumulation period, followed by a period during which a distance challenge may be attempted. However, rather than having a single distance challenge, there will be three or more distance challenges (gambles) available on the course with bonus values accorded based on technical difficulty.

Classes Offered (Tentative Running Order)

Saturday:	Standard 1	Sunday:	Nest Gamblers
	Standard 2		Standard 1
	Heinz 57		Standard 2
	Impossible Tunnelers		Time Warp
	Height order: tall to small		Height order: small to tall
			Superior, Intermediate and Beginners

Exhibitors will be allowed to set-up at 7:00 AM. Measuring for all dogs without a permanent jump height card will be available from 7:30 to 8:00 AM. There will be a general briefing at 8:00 AM to familiarize all participants with TDAA rules. Judging will start 8:15 AM. Obstacle familiarization will be held before the first run of the day.

Obstacles to be Used

The following is a list of obstacles to be used:

A-Frame (8' ramp w/slats) Weave Poles (20" centers) Table (36"X36")
Closed (collapsed) Tunnel Single and Winged Jumps Tire Jump (24")
Open (pipe) Tunnel Dogwalk (8' ramp w/slats)
Slatless Teeter (8' ramp)

All obstacles meet TDAA equipment size requirements.

Warm-ups – a warm up area consisting 1 agility jump will be available. One obstacle familiarization will be held before the trial starts each day.

Height Divisions

Owners are responsible for entering the proper height division. All dogs that do not have a permanent jump height card must be measured before judging begins. At the handler's option, dogs may be entered in a higher height division, but not in a division lower than their proper height division. Dogs that run in a height division lower than their proper division will be eliminated. To figure leg to shoulder ratio: Height from the elbow to the ground ÷ height at the withers = % (ratio). If that percentage is less than 50% and meets the height requirement then the dog can jump at the next lower height.

- 8" and under at the withers jumps 4"
- 12" and under at the withers jumps 8"
- 15" and under at the withers jumps 12"
- 17" and under at the withers jumps 16"

Dogs competing with either a body-type (long-backed, dwarfish legs/deep chested, or weight-to-height provision) exemption, veteran jump height exemption, or both exemptions, will be scored and placed with the height class they measure into.

Jump Height Exemptions:

Special provisions are made for dogs that are long-backed, have a weight-to-height exemption, or who have dwarfish legs (see rules for complete description of height exemptions at: www.k9tdaa.com). A jump height exemption (next lower height) will also be granted to veteran dogs (dogs of at least 7 years of age).

How the Fast Track Move-Up Works

Titles may be grandfathered from other organizations on a “Fast Track” basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginners to Superior on the same day, if the dog qualifies first in Beginners, and then qualifies again in Intermediate. It is also possible to move up from Games I to Games III in the same manner.

A qualifying score in the lower class is required to move up to the next higher class. The dog’s owner must submit a copy of title certificates for the dog.

A dog moving up on the Fast Track will not be eligible for placement within the class that he/she received the qualifying score.

FAST TRACK REQUEST:

Mark all that apply and return to the Secretary

Dog’s Name _____ Dog’s number _____

Please mark each of the following that apply:

Move up from Beginner to: Intermediate Superior

Move up from Games I to: Games II Games III

The Fast Track fee must be paid for this trial even if it was paid to Fast Track for this dog at another TDAA trial. Please submit \$8.00 with your move-up request, and attach this form. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (although he will have multiple chances at this trial in Standard and Games), and is non-refundable.
