

TNT Canines Presents:

USDAA –Gamblers, Snookers

Learn How to Play!

with Donna Brown

Saturday, August 29, 2009 8:00 - 11:30

At the Bella Vista Training Center in Lewisberry, PA

www.bvtrainingcenter.com

This half day seminar is geared towards the dog/handler team already trialing at the novice level or just starting to trial. This seminar is for people who have never tried USDAA and want to learn the games, or would like to brush up on the games rules and strategies.

Donna will discuss the rules for Snooker and Gamblers and discuss strategies. Everyone will walk and then run the courses. Discussion will be held on Pairs and if time permits, we will go over the rules for Steeplechase and Grand Prix courses.

Donna made the transition from obedience to agility in the mid-1990's. She has achieved the highest titles in USDAA and AKC agility. She currently runs a Pembroke Welsh Corgi and two Border Collies. She has won and placed at numerous USDAA Steeplechase and Grand Prix qualifiers in the highly competitive Northeast region.

In 2004, Donna left the public school teaching profession to devote her energy and talents to teaching agility. Her students frequently comment that it is this "teaching skill" that makes her a successful instructor.

Only 12 working spots are available for this seminar with 25 auditor spots. Full payment must be received to reserve your spot. This seminar will be held indoors on sand/rubber mulch. Building is fan cooled. A baby pool and water will be available for the dogs. **A limited number of privates will be available with Donna in the afternoon.** Please contact Janet Rodgers at jrtrialsec@gmail.com to schedule an appointment. Confirmations will be sent out by email unless you include a SASE. Dogs are required to be comfortable with all the equipment, not be dog or people aggressive and be ready to complete in agility. If you have any questions, please contact Janet Rodgers at jrtrialsec@gmail.com or 717-221-8820. Registration deadline is August 24, 2009.
