

# Pharaoh's Story

## Everybody deserves a second chance

and maybe a 3rd or 4th chance

When Pharaoh was surrendered to the York County SPCA for the third time, his future was not bright. Pharaoh could have been labeled "unadoptable" by some, but we don't give up easily. All Pharaoh needed was the right home, and a job, and another opportunity. We are delighted to report that Pharaoh found what he needed.

Pharaoh is a 5 year old, athletic, high energy collie. That kind of energy needs an outlet and it needs limits to live successfully in a home. Pharaoh started training for agility in his new home and he has done very well, winning ribbons in many agility trials. The discipline, exercise, and communication learned in this dog sport is exactly what Pharaoh needed. Agility is just one of many fun ways you can create a successful relationship with your dog. Pharaoh's story is not unique; thousands of our homeless animals find loving homes each year, but so many more need the same opportunity.

You can help the homeless animals like Pharaoh find good, loving homes by donating to the York County SPCA. The average cost to care for each of the 5,000 animals we receive each year is \$200. A donation of any amount will be used to feed, shelter and provide veterinary care to our shelter animals, fund programs that prevent unwanted litters, investigate and prosecute animal cruelty cases in our community, and help us to adopt more animals into good homes. Please help the York County SPCA and in return many more animals like Pharaoh will receive a first, second, third, fourth.....chance.

Please send a check to the YCSPCA. On the [www.ycspca.org](http://www.ycspca.org) website you can also make a secure on line donation using a credit card.
